**MANAGEMENT DISCUSSION AND ANALYSIS**

The Management and Discussion Analysis Report sets out developments in the business, environment and company's performance since our last report. The analysis supplements the Directors' Report and audited financial statements which form together part of this Annual Report.

**INDUSTRY OUTLOOK, OPPORTUNITIES AND THREATS:**

During the year 2012-13, the Company achieved a turnover of ₹ 619 Millions compared to the turnover of ₹ 592 Millions during 2011-12 i.e around 5% increase in sales compared to the previous year. Profit before Income tax during the year 2012-13 is ₹ 3.91 Millions compared to Net loss of ₹ 130.97 Millions suffered during 2011-12. This can be attributed to optimum utilization of raw materials & man power and control of administrative & marketing overheads of the company. Introduction of new products and increase of sales volumes of existing products is expected to increase the profitability further in the coming years.

**THREATS:**

The dependence of Indian Pharma Exporters on China intermediates is an immediate threat to the Indian companies. However, the Indian Government is taking immediate steps to strengthen the Indian Pharma Industry to develop cost effective intermediates.

Alkali Metals Limited is taking effective steps to further improve the quality standards of the products manufactured by the company to counter the threat posed by the Chinese drug intermediates. Based on the R&D efforts and technology upgradation, your company believes that the present threat can be overcome without much difficulty.

**OUTLOOK:**

- The global chemical industry, estimated at US\$ 2.4 trillion, is one of the fastest growing sectors of the manufacturing industry.
- According to industry reports the pharmaceutical segment contributes approximately 26% of the total industry output.
- The specialty and fine chemicals segment accounts for \$ 500 billion.
- Some of the major markets for chemicals are North America, Western Europe, Japan and emerging economies in Asia and Latin America.
- The Indian Chemical sector accounts for 13-14% of total Global exports and 8-9% of total imports of the country.
- In terms of Position volume, it is 12th largest in the world and 3rd largest in Asia.

**PRODUCT PERFORMANCE:**

Global scenario for sodium derivatives, cyclic compounds and fine chemicals appears to be bright. The Company's products are well established in the market for the past 44 years. The customer's satisfaction and quality products supply are the key factors for the continued support from customers within the country and abroad.

With strong new business visibility and our ability to expand existing relationships, we remain confident that we will continue to drive growth, achieve our strategic corporate objectives and emerge stronger in our journey towards global leadership. We also plan to have our marketing offices in all key metro cities within India as well as abroad.

**INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:**

The company has in place effective systems of internal control commensurate to its size and nature of business which provides for:

- Efficient use and safeguarding resources
- Accurate recording and custody of assets
- Compliance with prevalent statutes, policies, procedures, listing requirements, management guidelines and circulars.
- Transactions being accurately recorded ,cross verified and promptly reported
- Adherence to applicable accounting standards and policies.
- IT systems which include controls for facilitating the above.

The internal control system provides for well documented policies, guidelines, authorizations and approval procedures. The internal audit reports are laid before Audit Committee and discussions were held periodically by the Audit Committee at its meetings. The observations /findings made in internal audit reports, along with the status of action thereon are reviewed by the Audit committee of the Board of directors on a regular basis.

The company has an exhaustive budgetary control system and the management regularly reviews actual performance.

**INDEPENDENT AUDITORS' REPORT**

**To**  
**The Members of ALKALI METALS LIMITED**

***Report on the Financial Statement***

We have audited the accompanying financial statements of **ALKALI METALS LIMITED** (“the Company”), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 (“the Act”). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- b) in the case of Statement of Profit and Loss, of the profit for the year ended on that date; and

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS****1. HISTORY:**

Alkali Metals Limited which was established in 1968, at Hyderabad, Andhra Pradesh, India, as a closely held company, became a Public Listed company on 6<sup>th</sup>. November, 2008 being listed on BSE & NSE. Originally set up for manufacturing of Sodium Metal, the company subsequently diversified into manufacturing of Sodium derivatives, Pyridine derivatives, Fine Chemicals etc. The company is recognised as an “Export House” by DGFT and also recognised by Dept. of Science and Technology, New Delhi as an approved “In house R & D Facility”. The company has Three manufacturing units, at Uppal, Dommara Pochampally and JNPC Visakhapatnam.

**2. SIGNIFICANT ACCOUNTING POLICIES:****A) Basis of Preparation of Financial Statement:**

The Financial Statements are prepared on going concern assumption and under the historical cost convention, except for certain fixed assets which are revalued in accordance with generally accepted Accounting principles in India and the provisions of the Companies Act 1956.

**B) Use of Estimates:**

The preparation of financial statements requires estimates and assumption to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

**C) Fixed Assets:**

Fixed assets are stated at cost net of cenvat / value added tax and includes amounts added on revaluation, less accumulated depreciation, and impairment of loss, if any. All costs including financing costs till commencement of production, net charges on foreign exchange contracts and adjustments arising from exchange rate variation attributable to the fixed assets are capitalised as per the applicable standards.

**D) Depreciation:**

Depreciation on all fixed assets is provided on straight-line method at the rates specified in schedule – XIV of the Companies Act 1956.

**E) Impairment of Asset:**

The Carrying amount of asset is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. The recoverable amount is the greater of the asset's net selling price and value in use, which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there has been change in the estimates used to determine the recoverable amount.

**F) Inventories:**

Items of inventories are valued at lower of cost or net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost of raw material is determined on FIFO method.

**G) Foreign Currency Transactions:**

Foreign Currency Transaction are recorded at the exchange rates prevailing at the transaction date. Current Assets and Current Liabilities relating to Foreign Currency Transactions remaining unsettled at the balance Sheet dated are translated at the year end rates. The result gain/ loss, if any, is recognised in Profit & Loss Account.

**H) Turnover:**

Sales are recognised on despatch of goods from the factory.

**I) Employee Benefits:****i. Gratuity:**

The Company contributes towards Group Gratuity Fund (defined benefit retirement plan) administered by the Life Insurance Corporation Of India, for eligible employees. Under this scheme the settlement obligation remains with the Company, while the Life Insurance Corporation Of India administers the scheme and determines the premium to be contributed by the Company. The plan provides for a lump-sum payment to the vested employees on retirement or termination of employment, based on the respective employees' salary and the years of service with the Company.

**ii. Provident Fund:**

Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged off to the profit and loss account of the year when the contributions to the fund are due. There are no other obligations other than the contributions to be remitted to the Provident Fund Authorities.

**iii. Leave Encashment:**

Provision for Leave Encashment is recognised in the books as per the actuarial valuation.

**J) Borrowing Cost:**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

**K) Provision for Current and Deferred Tax:**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income tax Act, 1961. Deferred tax resulting from “timing difference” between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent is reasonably certain that there will be sufficient future income to recover such Deferred Tax Asset.

**L) Minimum Alternate Tax Credit:**

Minimum Alternate Tax Credit Entitlement is recognized in the books of account when there is convincing evidence that the Company will pay normal income tax during the specified period. The Entitlement is reviewed at each balance sheet date with regard to the correctness of the carrying amount.

**M) Research and Development:**

Capital expenditure incurred has been disclosed under separate heads of account and revenue expenditure incurred is charged off as a distinct item in the Profit and Loss account.

**N) Claims:**

Claims by and against the company, including liquidated damages, are recognised on acceptance basis.
