DIRECTORS REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2010.

To
The Share Holders,
ALKALI METALS LTD.

Dear Members,

Sad demise of Our Founder Chairman:

March 30th, 2010 is a very sad day for all of our members as our founder promoter Chairman Dr.Y.V.S.S. Murty passed away after a brief illness. It is indeed a great loss to our industry in particular as well to chemical industry in general. He embarked on setting up this industry at a time industrialisation in the country was at a very nascent stage and against all odds he successfully steered our Company for 42 long years and the fruits of his hard work are being now enjoyed by the current team of management, staff, workers and share holders. He was deeply committed to industry, technology, self dependence and had enlarged vision for growth of our industry. Due to his untiring efforts, the industry is recognised world over as a strong technology oriented company.

Board is pleased to submit their Report and Audited Accounts of the Company for the financial year ended 31st March 2010:

MANAGEMENT DISCUSSION AND ANALYSIS

The Management and Discussion Analysis Report sets out developments in the business, environment and company's performance since last year. The analysis supplements the Directors' Report and audited financial statements which form together part of this Annual Report.

INDUSTRY OUTLOOK, OPPORTUNITIES AND THREATS:

With improvement in economic scenario moderately, better liquidity environment, recent pick up in growth rate in manufacturing sector, the business is expected to grow further due to potential increase in export markets, adequate manufacturing facilities and engineering capacities coupled with various management strategies and access to global technologies, Management is optimistic about growth of the Company in the coming years. The API manufacturing facility at Pharma City, Parawada, Visakhapatnam has commenced its Commercial operations w.e.f 16th March 2010 and with the commissioning of this Unit, the Company can foresee bright future with a steady growth in demand for the Company's products in India and abroad.

THREATS

Rise in input costs is a serious threat for the industry since it may not be possible to proportionately increase the selling price and thus affecting the profit margin. Prices of basic raw material like sodium metals, ammonia, nitrogen, Hydrogen gas, pyridine and Picoline (Gamma & Beta) have increased due to recovery in the global demand. Added to this restricted power supply is burdening high cost to the company's finished products. Despite this unpredictable change in cost of inputs, the management is hopeful to come out successfully on a profitable note.

OUTLOOK:

The Indian Speciality Chemical Industry is growing at a good pace in the world. Today, India has achieved considerable progress in all segments of chemicals including Speciality chemicals. The Companies manufacturing highly valued chemicals and who are compliant of industrial quality standards, can make their mark not only in India but even in the overseas market as well. With the on set of liberalization and globalization, the Industry is on a major expansion spree. It is expected that with the new capacities coming on stream the Indian Chemical Industry is expected to grow at 7% to 9% per annum, augmenting the economic growth.

PRODUCT PERFORMANCE:

The Company's products are well established in the market and has gained tremendous customer acceptance not only in India but also in Countries like Japan, Germany, Italy, Mexico, Belgium, Israel, Spain, France, U.K, China & U.S.A. The Company's commitment to its customers is uncompromising and every endeavor is made to create and maintain unmatched customer satisfaction by delivering quality product at a competitive price. The Company has also introduced an efficient and speedy customer support and logistics system to further strengthen its dealer network and customer base. The Company's focus on quality and service are the key drivers for enhancing customer satisfaction for enhanced sales. The Company in its pursuit to reduce the logistics costs has been focusing its efforts to increase its market share in the vicinity of its plants.

RISKS AND CONCERNS:

The Company's two units are located near by Hyderabad and the third unit is located at Parawada, Visakhapatnam, Andhra Pradesh and the Company is following plant wise approach for risk management which lays emphasis on identifying and managing key operational and strategic risks. The risks associated with the business of the Company are re-viewed periodically by the top management to take suitable measures for mitigating the same relating to production, operations, Marketing, Regulatory Affairs, Finance and Human Resources. Requisite resources have been deployed in terms of Technology, Research and Development, experienced people and processes to monitor, evaluate and manage principal risks and critical nature of transactions. While there is systematic risk identification and mitigation frame work-in place, there are certain business risks which are external to the Company. The Company has no control over these external risks. Some of these include a general down turn in market demand conditions due to effect of economic and political conditions, volatility in interest rates new regulations and Government policies that may have impact on the business of the Company.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY :

The company has in place effective systems of internal control ensuring accurate, reliable and speedy compilation of financial information, safeguarding the assets and interests of the Company and ensuring compliance with laws and Regulations.

The company has an exhaustive budgetary control system and the management regularly reviews actual performance. The company has also put in place a well defined organization structure, clear authority levels and detailed internal guidelines for conducting business transactions. The company has an internal audit system, adherence to management instructions and legal compliance. Audit plans are prepared in advance, based on risk assessment. Internal audit also conducts follow up reviews to ensure implementation of its recommendation sand suggestions. The Audit committee of the Board of Directors periodically reviews audit plans, observations and recommendations of the Internal and Statutory Auditors with reference to significant risk areas and adequacy of internal controls.

AUDITORS' REPORT

To

The Members of ALKALI METALS LIMITED

1. We have audited the attached Balance sheet of **ALKALI METALS LIMITED** as at March 31, 2010 and also the Profit and Loss Account and Cash Flow statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on the test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditors' Report) Order, 2003, (as amended) issued by the Central Government in terms of section 227 (4A) of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
4. Further to our comments in the Annexure referred to above, we report that:
 - a. We have obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account, as required by law, have been kept by the Company, so far as appears from our examination of the books;
 - c. The Balance Sheet, Profit and Loss account and Cash Flow statement dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the accounting standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956;
 - e. On the basis of written representation received from the directors as on March 31, 2010, and taken on record by the Board of Directors, we report that none of the directors is disqualified as on March 31, 2010 from being appointed as a Director in terms of clause (g) of sub-section (1) of Section 274 of the Companies Act, 1956.
 - f. In our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 1. in the case of the Balance Sheet of the state of affairs of the Company as at March 31, 2010 and
 2. in the case of the Profit and Loss account, of the Profit of the Company for the year ended on that date.
 3. in the case of Cash Flow Statement, of the cash flows for the year ended on that date.

SCHEDULE - 17

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1. HISTORY:

Alkali Metals Ltd. which was established in 1968, at Hyderabad, Andhra Pradesh, India, as a closely held company, became a listed company on 6th November, 2008 being listed on BSE & NSE. Originally set up for manufacturing of Sodium Metal, the company subsequently diversified into manufacturing of Sodium derivatives, Pyridine derivatives, Fine Chemicals etc. The company is recognised as an “Export House” by DGFT and also recognised by Dept. of Science and Technology, New Delhi as an approved “In house R&D Facility”. The company has three manufacturing units, at Uppal, Dommara Pochampally and JNPC Visakhapatnam. The unit at Dommara Pochampally and Visakhapatnam are 100% EOUs.

2. SIGNIFICANT ACCOUNTING POLICIES:

A) Basis of Preparation of Financial Statement:

The Financial Statements are prepared on going concern assumption and under the historical cost convention, except for certain fixed assets which are revalued in accordance with generally accepted Accounting principles in India and the provisions of the Companies Act 1956.

B) Use of Estimates:

The preparation of financial statements requires estimates and assumption to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

C) Fixed Assets:

Fixed assets are stated at cost net of cenvat / value added tax and includes amounts added on revaluation, less accumulated depreciation, and impairment of loss, if any. All costs including financing costs till commencement of production, net charges on foreign exchange contracts and adjustments arising from exchange rate variation attributable to the fixed assets are capitalised.

D) Investments:

Investments in mutual funds are stated at cost and market value as on the date of Balance Sheet is disclosed in the schedule.

E) Depreciation:

Depreciation on all fixed assets is provided on straight-line method at the rates specified in schedule – XIV of the Companies Act 1956.

SCHEDULES TO ACCOUNTS

31.03.2010

F) Impairment of Asset:

The Carrying amount of asset is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. The recoverable amount is the greater of the asset's net selling price and value in use, which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there has been change in the estimates used to determine the recoverable amount.

G) Inventories:

Items of inventories are valued at lower of cost or net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost of raw material is determined on FIFO method.

H) Foreign Currency Transactions:

Foreign Currency Transaction are recorded at the exchange rates prevailing at the transaction date. Current Assets and Current Liabilities relating to Foreign Currency Transactions remaining unsettled at the balance Sheet date translated at the year end rates. The result gain/ loss, if any, is recognised in Profit & Loss Account.

I) Turnover:

Sales are recognised on despatch of goods from the factory.

J) Employee Benefits:

i. Gratuity:

The Company contributes towards Group Gratuity Fund (defined benefit retirement plan) administered by the Life Insurance Corporation Of India, for eligible employees. Under this scheme the settlement obligation remains with the Company, while the Life Insurance Corporation Of India administers the scheme and determines the premium to be contributed by the Company. The plan provides for a lump-sum payment to the vested employees on retirement or termination of employment, based on the respective employees' salary and the years of service with the Company.

ii. Provident Fund:

Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged off to the profit and loss account of the year when the contributions to the fund are due. There are no other obligations other than the contributions to be remitted to the Provident Fund Authorities.

iii. Leave Encashment:

Provision for Leave Encashment is recognised in the books as per the actuarial valuation.

SCHEDULES TO ACCOUNTS
31.03.2010

K) Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

L) Provision for Current and Deferred Tax:

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income tax Act, 1961. Deferred tax resulting from “timing difference” between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is not recognised in the books as matter of prudence.

M) Research and Development:

Capital expenditure incurred has been disclosed under separate heads of account and revenue expenditure incurred is charged off as a distinct item in the Profit and Loss account.

N) Claims:

Claims by and against the company, including liquidated damages, are recognised on acceptance basis.

3. NOTES TO ACCOUNTS

1. The Disclosures of Employee Benefits as required by Accounting Standard – 15 (Revised) “Employee Benefits”, are given below:
